"This is the real deal, folks. As an Accredited Kanban Trainer (Kanban University), Certified Scrum Trainer (Scrum Alliance) and Certified Agile Coach (IC-Agile)... if you're thoughtful about how you can help teams improve themselves... definitely check out Great Gadgets"
 Marcelo L. - Sr. Agile Coach & Trainer

"Great Gadgets for Jira Cloud has been a game-changer for our team! It brilliantly overcomes Jira's limitations, especially when it comes to querying subtasks and accessing their story point values and current status. [...] Highly recommend this app to any team looking to enhance their Jira experience!" - Samuel W.
